Themed Camps

Animal Week

July 1-5, 2024

Campers will learn about animal life cycles, how to care for animals on the farm, and what life was like on a farm with animals. Other activities will include interacting with our animals, games, and themed arts and crafts. Pending weather, there is also a trip to Kin Canyon.

Tractor Week

July 8-12, 2024

The invention of gasoline and diesel-powered tractors revolutionized farming all over the world. Children will learn about all of the different tractors, antique cars and trucks, and powered machinery in our collection, and see our experienced volunteers fire them up and enjoy daily rides around the farm on our wagons. We will even run the Michener Fire Truck!

Cowboy Week

July 15-19, 2024

Welcome to the life of a cowboy in the west. Campers will learn about and try living the life of a cowboy. Other activities will include taking part in the Westerner Parade, games and themed arts & crafts.

Science Week

July 22-26, 2024

Explore the joy and wonder of science in Science Week! Try experiments and learn about the world around you. Additional activities include games and themed arts and crafts.

Pioneer Cooking Camp

July 29-August 2, 2024

Become Junior Pioneer Cooks! Spend time in the kitchen learning through out the week. Make and enjoy eating your pioneer meals and treats. Parents RSVP and get treated to lunch on Friday prepared by our Junior Pioneer Cooks.

First Nations Week

August 5-9, 2024

The aboriginal people were the First to live in Canada. Discover some of their stories, and what their life was like before and after Europeans. Activities will include games and themed arts & crafts. Pending weather, there is also a trip to Kin Canyon.

Pioneer Music Week

August 12-16, 2024

Explore a part of pioneer entertainment with this new camp at Sunnybrook Farm. Travel back to lively times spent with friends and family making music; make your own instruments, come up with a songs, play musical games, and create a performance. At the end of the week, share your performance with any friends and family who wish to attend the performance!

Nature Week

August 19-23, 2024

Bugs, plants, and the great outdoors. Exploring nature and its life cycles is just one of many things that campers will experience as one of nature's wild things. Some activities will include guided walks, nature games, and themed arts & crafts. Pending weather, there is also a trip to Kin Canyon.

Harvest Week

August 26-30, 2024

How do plants grow? Campers will learn the answer to this question and help staff harvest and eat different vegetables over the course of the week. Activities will also

Day Camps are available as either single days or a full

Good To Know

Waivers & Forms

Each camper must have a completed form which includes the Day Camp Booking Form, Code of Conduct, and Release Form. Camp Forms must be completed by a child's parent or legal guardian. Forms can be found online at: www.sunnybrookfarmmuseum.ca/daycamps.htm

Approximately 1 week before camp begins you will receive a letter and a list of items we recommend children bring with them to camp.

Where to Meet

All campers must be signed in and out of camp by a parent, guardian, or previously authorized adult. Sign in and out is conducted at the Summer Kitchen of the Hanna Log House. Please park in the south parking lot and walk all campers onto the site.

Lunch and Snacks

Make sure to send your child with a water bottle (labelled with their name). Be sure to send at least two snacks and a lunch for your child. Do not send lunches that need to be heated as we often do not have access to a microwave. Please make sure to send enough for your child to eat as they will be fairly active throughout the day.

Early Drop Off & Late Pick Up

Unfortunately, Sunnybrook Farm Museum no longer offers this service.

What To Wear

Ensure that your child is wearing comfortable play clothes and is dressed for the weather. All children must be wearing closed-toed shoes; this is for their safety as there is a lot of old farm machinery which they could be interacting with. Sunnybrook Farm Museum is a 10-acre mostly outdoor site and we endeavour to spend as much time outside as possible during the day. All belongings should be labelled with your child's name.

Lost and Found

Items will be kept by the staff in the supply trailer for the summer. At the end of September any unclaimed items will be collected and donated to a local charity.

Fees

Fees will be processed by our office upon receipt of the registration form and payment method. Acceptable forms of payment include cash, debit, Visa, Mastercard, or Cheque (made payable to Sunnybrook Farm Museum).

Withdrawals and Cancellations

Camps are not refundable within two weeks of the start of the week of camp. Cancellations more than two weeks in advance are subject to a \$25 administration fee. A booking may be switched to a different day/week with either a doctor's note or one week's notice with no penalty or extra fees; subject to availability.

It's Easy To Register!

About The Museum

A Farm Like Grandpa's!

Sunnybrook Farm Museum is a non-profit, charitable organization. Our Mission is "to promote understanding about rural life in a living farm community in Central Alberta, 1880-1950s, through preservation and interpretation." While our vision is to create "a unique farm museum in the heart of Red Deer where people can learn about the early history of life in a rural community in Central Alberta."

Sunnybrook Farm Museum celebrates the early days of Alberta farming. Find your rural roots as you explore Red Deer's oldest farm! Imagine the lives of pioneer farm families - working in the field, milking the family cow in the dairy barn, repairing a plow in the blacksmith shop, or baking bread in the summer kitchen.

Join us as we travel back in time. Chat with "men at work" in the restoration shop. Experience the modern conveniences - of 1905 - on a visit to the log house. Try your hand at feeding chickens and enjoy a wagon ride, special event of demonstration of lovingly restored farming equipment (seasonal).

What to Bring

Parents are asked to provide their children with a backpack containing the following items:

1. Sunscreen
2. Bug Spray
3. Hat
4. Waterbottle
5. Bag Lunches and Snacks*
6. Bathing Suit and a Towel
7. Appropriate clothing for the weather, including rain gear and close-toed shoes
8. Water Gun (optional)

*No Nuts of Any Kind, or lunches that require heating

Please label your child's belongings. If you do lose an item, call the office at 403-340-3511 so we can check the lost and found
